Halls

Ideal for events such as seminars, conferences, training sessions, expos and trade shows.

These modern, versatile halls are designed for events both large and small.

The spaces can be set up in various arrangements to suit your needs: theatre, banquet, classroom, exhibition and rehearsal space.

Furniture, including tables and chairs, are available to use and are included in your hire fee.

The spaces are competitively priced for business, community, agencies and government departments.

Fully Accessible Venue
